

215 KANSAS HISTORICAL SOCIETIES in 141 KANSAS CITIES

The following list was taken from the Directory of Historical Organizations in the United States and Canada, fifteenth edition, published by the American Association for State and Local History and AltraMira Press. Offers were not sent to 'Outdoor Museums,' 'House Museums' dedicated to single individuals or 'period authenticity,' societies that did not maintain collections, library archives that did not collect 'objects,' or museums with collections that seemed completely inappropriate for the models. An attempt was also made to restrict offers to only one organization per individual town.

(ON JULY 2, 2003, OFFERS WERE MADE TO THOSE SOCIETIES LISTED IN **BOLD**)

(Societies that are **highlighted** have asked for a model)
